## Participation Requirements

As you are aware from last year, your group is annually responsible to promote and participate in initiatives at Delta Bingo & Gaming Centre.

This not only assists in getting new people into the Gaming Centre, but it also helps reinforce the relationship Delta has with local charity and non-profit organizations.

By the end of March 2020, your group **must, at a minimum, complete two of the following participation requirements:**

- Plan or participate in a charity event at Delta Gaming Centre
- Host a photo op OR cheque presentation OR media event at the Centre
- Reference the Centre in your media articles (newspaper, local news, etc)
- Tag the Centre on Social Media posts
- Promote the Centre in your publications (newsletter)
- Have the Gaming Centre logo and link on your website
- Have the Gaming Centre logo on your materials (posters, letterhead, brochures, programs, etc)

Make sure to send Suzanne the link to your social media/website/newsletter etc so you will be credited with your participation.

Failure to complete these mandatory requirements, will result in financial penalties, and will put your bingo fundraising in jeopardy.

Contact Suzanne with questions or to make arrangements to complete any of the above. If all of our groups do just a little, it will definitely make a big difference.

## Email Required

Please make sure your group has an up to date contact person who checks their email daily! This is the way we communicate everything from extra bingo assignments to changes in Policies and Standards.

If your information needs to be updated, please do so with Suzanne as soon as possible.
