

# Kawartha Bingo Sponsor's Association Inc.

September 2020

## Training

Training is now being done online.

It consists of 2 components; an online module and then a bingo session where the new person will shadow a more experienced volunteer.

Once both of these have been completed, your volunteer will be added to your bona fide list.

This training is available on our website.

## VOLUNTEER TRAINING - REFRESHER REQUIRED

Online Volunteer Training is available on our website [www.kawarthabingosponsors.com](http://www.kawarthabingosponsors.com) under the Bingo Training tab. Shadowing for new recruits will continue as in the past, once we are able to resume volunteer activity at Delta. Please wait to have new volunteers take the online training until we know when volunteers will be going back in to the centre. This will enable new volunteers to retain the information learned online and get the most out of their shadowing experience.

It **is mandatory** that every current, registered volunteer who has not taken online training must complete this as a refresher. NOTE: Shadowing for existing volunteers doing the refresher training is not required.

Completion of refresher training for your current volunteers will be required before they can be added to your 2020-2021 Bona Fide list. Any volunteers who have not completed the online training will not be able to volunteer for your group.

## PARTICIPATION REQUIREMENTS

### Don't Lose Funds!

Under our Charitable Gaming model, each organization is contractually required to have a "visible and meaningful role" in order to receive funds. As mentioned previously, this is easy when we are in the centre doing bingo assignments, but a little more challenging right now.

Each organization must complete a minimum of one community awareness initiative each month. If this is not done, your group will not receive any revenue for that month.

There are many ways to accomplish this requirement:

1. Share news about Delta Bingo and Gaming on your social media. Note: Any one in your group (or spouse, friend, adult children, etc) can post the information.
2. Explain how your organization uses the funds raised at Delta Bingo to benefit the community.
3. Thank Delta Bingo for this ongoing fundraising opportunity in your newsletters, bulletins, etc.

Don't forget to send a link to [suzanne@deltabingo.com](mailto:suzanne@deltabingo.com) as your organization completes each monthly requirement. If your organization is having challenges sharing information, reach out to Suzanne for support before the end of the month.
